## Autumn Term Enrichment

Dear Parent/Carer,

It is with great enthusiasm that I write to you at the start of a new academic year to inform you of the exciting enrichment opportunities we have for your son/daughter to take part in after school in the autumn term.

The autumn term enrichment programme will start on Monday 14<sup>th</sup> September and finish on Thursday 10<sup>th</sup> December (excluding the October half term holiday). Enrichments clubs take place from 4pm to 4.45pm unless otherwise stated on the enrichment timetable, which is now available on KAA@Home and the academy website along with further information about enrichment this term.

We hope that your son/daughter will find a number of clubs they would like to sign up to. **The deadline for signing up to a school enrichment is Wednesday 9<sup>th</sup> September.** Form tutors will inform students of this and remind them how to register this week at school.

Your child can register the enrichments they would like to do this term on the enrichment page of KAA@Home here: <https://sites.google.com/a/kaa.org.uk/kaa-student-portal/enrichment>. Please note **they must be signed in with their KAA google account on the browser to access KAA@Home.**

If your child is new to KAA and does not yet have their KAA login information, you can access the timetable and registration form via our website at <https://kaa.org.uk/autumn-2020-enrichment-programme/> and sign up using a parent email address.

If you have any questions regarding the enrichment timetable, please email me directly at [r.dunning@kaa.org.uk](mailto:r.dunning@kaa.org.uk).

With best wishes,

**Ross Dunning**
