## New Term – KAA Parent Handbook

Dear Parents & Carers,

We were delighted to welcome our new students in Y7 & Y12 for induction today. We are looking forward to seeing Y8, 11 and 13 tomorrow, and then all students on Monday.

Please note that we are fielding a large number of phone calls and emails from parents. This is difficult for us to manage as we have limited staff capacity and we need people focused on the students who are in the building. The majority of all queries can be answered here:

- General queries (e.g. term dates, timings of the day, uniform, free school meals) – [Parent A-Z](#)
- COVID 19 Information – [coronavirus update page on our website](#)

If the answer to your question can't be found there or elsewhere in our recent communication or on our website, or if you are having difficulty accessing any of our online systems, please do not hesitate to get in touch.

With best wishes,

KAA
