October Half Term Stretch Project

Dear Students & Parents,

At KAA, over the school holidays students in KS3 (years 7, 8 and 9) carry out **'Stretch Projects'**. These are independent projects drawing on a range of subject disciplines, but led by the core subjects. Details relating to each specific Stretch Project are shared with students in the final week before the holiday. Stretch Projects are a great way of developing independence and curiosity in our students and prizes are awarded for the best entries in each year (silver and gold merits).

Due to the two week half term break, we are extending our celebration of Black History Month throughout November. For this half term stretch project, we are asking students to pick a black figure from Britain (dead or alive today) to research and create something to teach others about them. They should be able to link the figure they choose to a subject studied at school.

For more information on the project, please see the attached Stretch Project guide from Miss Ahmed.

Once students have completed their project, they can complete the quiz on google classroom to share their fantastic work with us. The quiz can be accessed here: <https://forms.gle/si5dURw7z5VQUtNP6> and can be used by all students.

For any queries relating to the content of the project, please email Miss Ahmed (a.ahmed@kaa.org.uk). For any relating to google classroom, contact Miss Reed (r.reed@kaa.org.uk)

We look forward to seeing students back at school on Monday 2nd November.

Thank you,

Miss Reed & Miss Ahmed
