Post-16 Progression

Dear Y11 Student & Parents,

Our Year 11 students have been focusing on post-16 progression pathways during PSHE lessons this term. As part of this classwork, students have been provided with hard copies of the attached post-16 decisions booklet last week or today. If you haven't already done so, when your child brings this booklet home please do take the time to discuss their college and sixth form applications with them.

In the autumn 2 term the leadership team and I will be having careers meetings with students who we have identified as needing some extra support in making these decisions. We will write to parents about this after the half term break.

The half-term break is a good opportunity for Year 11 students to start think about completing their College and Sixth Form applications. Sadly, due to COVID-19 restrictions we have not been able to run our Sixth Form open evening this term, and as such, I wanted to take this opportunity to share our virtual Sixth Form open evening and prospectus below for those interested in applying for KAA Sixth Form. The deadline for KAA Sixth Form applications is 1st December 2020.

To apply for KAA Sixth Form, students should visit www.kaa.org.uk/sixth-form/applications and click "Apply Now".

Further post-16 guidance is available on KAA@Home for our Year 11 students at <https://sites.google.com/kensingtonaldridgeacademy.co.uk/careers/post-16-options>.

If you have any specific queries about your child's college or sixth form applications please email me at m.haddad@kaa.org.uk or contact your child's form tutor.

Kind regards,

Miss Haddad | Careers Coordinator
