Welcome to Year 11 Parent Evening

Dear Y11 Parents / Carers,

I am delighted to share with you the virtual Welcome to Year 11 parent evening. This presentation provides our vision for Year 11 and outlines the key things for students to focus on to maximise their success this year. Please take the time to watch this 15 minute video this week.

Further to this presentation, I have attached a short guide from our Directors of Maths, English and Science outlining how your child can succeed in these core subjects this year.

If you have any specific queries about exams, homework, attendance or behaviour please do contact your child's form tutor via email. I have provided these emails below.

Kind regards,

Miss A. Gurnell | Assistant Principal - Pastoral
