RE: Social Media Concerns

Dear Parent/Carer,

It has come to our attention that a Whatsapp group containing a very large number of Year 8 students has been created; the name of the group is **Year 8 cool members (and emojis)**.

All Year 8 students must **leave this Whatsapp group within 24 hours**, due to the inappropriate nature of the conversations in the group. Students are not permitted to be part of Whatsapp groups with more than 10 students, unless they are with family members.

Please do make sure your son/daughter has left the group when they come home from school today. We also suggest that parents regularly talk to children about their use of social media, as well as checking their phones for inappropriate behaviour online.

If you have any questions or concerns, please do contact your son/daughter's form tutor, or myself.

Regards,

Issie Dewes
Director of Learning - Year 8
