

10th November 2020

Dear Parents & Carers,

We are writing to let you know that we have today had confirmation a student in Year 9 student has tested positive for COVID 19. Because this student had been isolating from 28 October due to contact with a positive case outside of the school, he has not been in school since before half term and there is no action any KAA students need to take. This student has not had any contact with KAA students since 15 October. This letter is just for information.

We appreciate this news may be concerning but we are continuing to monitor the situation and are working closely with DfE.

If you have any questions for the school then please direct them to info@kaa.org.uk.

Yours sincerely,

KAA
