## Virtual Year 10 Parent Evening

Dear Y10 Parents / Carers,

I am delighted to share with you the virtual Year 10 parents evening. This presentation provides our vision for Year 10 and outlines the key things for students to focus on as they begin their GCSE courses. It includes messages from our Directors of Maths, English and Science outlining how your child can succeed in these core subjects this year. Please take the time to watch this 20-minute video this week.
