## Y11 Mock Exam Revision Club

Dear Y11 Parent / Carer,

As you know, the Y11 mock exams begin in 2 weeks' time, on 30<sup>th</sup> November. They run for 9 days, until Thursday 10<sup>th</sup> December. In support of these, we are running an evening 'Revision Club' over the next 2 weeks for any Y11s that would like to attend.

Students are free to go home, get changed and return to school for 5:00pm (*they will be refused access if they arrive after 5:05pm*).

The club runs until 7pm and students will be expected to work silently on their own on personal revision.

Mobile phones are not allowed and students must make sure they arrive prepared with their own work to complete.

Please note, if students are unable to work silently, don't follow the strict behaviour guidelines or disrupt the atmosphere for others, we may ask them to leave.

This is an important time for all students, as I know you are aware, so we must make sure there is ample opportunity for them to carry out effective, independent revision.

Many thanks for your support with this - we very much hope lots of students are able to attend.

Best wishes,

**Anna Jordan**  
**Senior Vice-Principal - Academic**
