Y7-Y10 Autumn Assessments

Dear Parent / Carer,

Please see below for this term's assessment timetable for Years 7 to 10. Most assessments fall in the week of Monday 7th to Thursday 10th December.

For many students this is their first full set of assessments at KAA, and for all students their first chance to aim for their new academic targets. We recommend that all students look carefully at their timetables and create a revision timetable to ensure they are as prepared as they can be for them. Subject teachers will let students know what might be on the assessments during this week's lessons.

Thank you in advance for your support in helping your child to prepare for these assessments.

Yours sincerely,

Mr Edwards
