## Positive COVID case

Dear Parents & Carers,

We are writing to let you know that a child in Year 7 has tested positive for Coronavirus. As it happens, this child has not attended school since Monday 16<sup>th</sup> November, so there is no action anyone needs to take. This email is just for transparency.

More generally, please continue to help us by;

- Isolating and getting tested as soon as anyone in your household has symptoms.  
**Students cannot attend school if they or anyone in their household has symptoms.**
- Reminding students of the importance of the current control measures;
  - Always practicing good social distancing – no hugs, hand-shakes, fist bumps etc
  - Wearing masks around school
  - Walking or cycling to school instead of travelling by public transport
  - Regular hand-washing

Thank you,

KAA
