Covid positive case information & final day of term

Dear Parents & Carers,

I'm writing to advise that a student in Year 8 has tested positive for Coronavirus. During the course of the day we have isolated any children who may have been in close contact with the student. **If your child is in Year 8 have and you not been contacted by us then you are not affected and do not need to take any action.** Other year groups are also not affected, due to the year group bubbles.

A reminder that students have **normal lessons tomorrow, Thursday and Friday morning**. There is then an important **end of term tutor session for all students at 11 am on Friday**, and they will be dismissed from 12 o'clock onwards. Students should not miss lessons this week unless they are on the official isolation list, as they will miss crucial assessment feedback in the remaining three school days.

Many thanks,

KAA
