Consent for Testing

Dear Parents & Carers,

Half of all KAA parents have now completed the consent form for testing, which is a great start. If you are yet to complete the consent form please do so now at this link: <https://forms.gle/7WAMC6tFVdNV0Nv69>

I have reattached Mr Benson's letter explaining mass testing and the reopening of school in case you missed it earlier this week.

A final point is that just under 10% of responses are refusing to consent to testing. Mass testing is becoming common place in all education settings and in many other sectors of the economy. I appreciate some parents may be apprehensive, but I should emphasise that testing will help keep students and their families safe, as well as our staff. It is also painless and straight forward to complete. Please do give consent, and if you want to decline please first read the additional information on our website at <https://kaa.org.uk/students-parents/rapid-covid-testing/>.

Kind regards,

Vashti Turner
