## Y9 GCSE Options Evening

Dear Y9 Parents & Students,

I hope you are well.

As you know, at this point in the academic year we would usually invite you into school for a '**Y9 Options Parents Evening**'.

The situation is different this year however, for obvious reasons. Instead, we have recorded a *virtual* version of this presentation which you can find here: <https://youtu.be/RJS2fUctR2Y>

The presentation is only short (15mins) so please watch it in full – we hope it is helpful.

Attached you will also find your copy of the **Y9 Options Booklet**. This is an important document that outlines the options process, gives you advice on how to choose your subjects, details of each course and any important deadlines.

Happily, we will now be able to continue this process in-person with students once they return to school. If you do have any questions in the meantime however, please don't hesitate to contact your son or daughter's form tutor, or for more general enquiries [info@kaa.org.uk](mailto:info@kaa.org.uk).

Have a lovely weekend,

**Miss Jordan**  
**Senior Vice Principal**
