Grenfell Tower Wrapping Replacement Works

Dear Parent / Carer,

You may be aware from the community updates that the outer wrapping surrounding Grenfell Tower is due to be replaced from 6 March 2021. This work is part of the routine maintenance of the Tower and happens every year. This will not affect the day to day running of the school, but we wanted to inform parents of this for reference.

It's the outer white layer of wrapping that will be replaced; the blue inner layer will not be changed, therefore the building itself will not be visible at any time during the replacement. It's estimated the work will take about 10 weeks, beginning on 6th March, although this will be dependent on weather conditions.

If you would like further information on the replacement of the wrapping, we have attached the community updates from the Ministry of Housing, Communities and Local Government (MHCLG). Further information is also available on the FAQs page of our website:

<https://kaa.org.uk/students-parents/kaa1-faqs/>.

If you have any questions or concerns relating to this, please email me at n.dumigan@kaa.org.uk.

Kind regards,

Niall Dumigan
Assistant Principal - Inclusion
