

Dear Year 11, Year 12 & Year 13 Students,

Cc Year 11, 12 & 13 Parents

I'm writing to share with you an opportunity to be part of a very special Spoken Word project in the summer term that will support the work of the Grenfell Memorial Commission.

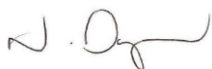

The spoken word project will be led by the Young People's Laureate for London, Cecilia Knapp. Over a series of workshops with Cecilia and Kaizen, a small group of Y11, 12 & 13 students will explore what they want to say, and develop their poetry, as well as building their self-awareness and leadership skills. There is further information on the poster, but this would suit anyone in years 11-13 who is creatively-minded, would like to know about spoken word poetry, and would to express their thoughts on the Grenfell Memorial Commission.

The project will begin with a full day workshop on Monday 12th April, followed by six after school sessions on Wednesdays across the summer term.

If you are interested in getting involved please register via this Google Form:

There will be further opportunities for all students in all years to contribute to the Grenfell Memorial Commission and we will share details of this with students and parents in the summer term.

Kind regards,

Niall Dumigan
