

12 March 2021

Dear Y11 Parents & Carers,

CC Y11 Students

I'm delighted to announce that Ms Vines, your child's Director of Learning, will be returning from maternity leave on Monday 15th March. It will be great to have her back.

Given the critical stage Year 11 are at with their education, we have taken the decision to extend Mr Abubaker's temporary position as Director of Learning for this cohort as well, to run until the end of this year. This will provide continuity and stability as we move through the final months.

Ms Vines and Mr Abubaker will work closely as Co-DoLs of Y11, sharing an office and staying in regular contact throughout each day, so you should feel welcome to contact either or both of them with any queries you may have.

With best wishes,

David Benson
Principal
