Y11 Exams & Grading Booklet

Dear Y11 Parents & Students,

I have been speaking to students in assembly today about the arrangements for GCSE grading this year.

Attached is an **information booklet** which should hopefully provide some more clarity on this, and answer any questions you have.

Please look through this booklet and discuss together:

- What the next 10 weeks look like for you in particular
- How/when students are being assessed in your subjects (and what that subject is likely to collect as evidence)
- How you will begin to structure your revision over the next few weeks

The **FAQs** pages should help to answer most of your questions, however do contact your Form Tutor next week if not.

Many thanks for your support, as always.

Anna Jordan
Senior Vice Principal – Academic
