Performing Arts Easter School

Dear Y9 Parent/Carer,

We wanted to write to you to inform you of an exciting opportunity that KAA we are offering students during the second week of the Easter holidays. From **Wednesday 14th April to Friday 16th April** we will be running a Performing Arts Camp focused on developing practical skills in Music, Dance and Drama.

As a Year 9 student, your child is currently going through the option process to choose which subjects they will study at GCSE. Over the last term your child has either expressed an interest in taking a performing arts subject as one of their options or been identified by their teacher as someone who is high achieving in one or more of these subjects.

The Performing Arts Camp is designed to help your child in choosing at least one of these subjects at GCSE. Each of the three days will focus on one of the performing arts subjects and students are welcome to attend either one, two or all three of these depending on which subjects they wish to study. Each day will consist of a series of practical workshops in which your child will be able to experience the subject at GCSE whilst enriching their passion and creativity for the arts.

If your child would like to take part in the Performing Arts Easter Camp please can you confirm their attendance via Google Form using the link below. In addition to confirming their place, please can you and your child select which days/subjects they would like to attend.
