Y9 Access Project Opportunity

Dear Year 9 Parents / Carers,

We have an amazing opportunity for your child to join The Access Project at Kensington Aldridge Academy! With The Access Project, they will receive free tutoring for their GCSEs throughout Years 10 and 11 in a subject of their choice. They will also have in school mentoring to help them with everything from revision, to careers advice, and applying to Sixth Form & Colleges! There will also be opportunities for them to go on university trips, get extra enrichment opportunities and, best of all, **Access Project students are 4 times more likely to get into a top university!**

Want to find out more? Click [this link](#) to watch a video about The Access Project.

All your child needs to do is complete the online application form at bit.ly/TAPlication2020. The deadline for applying is **9am on Thursday 13th May**. If your child's application is successful, they will then be invited to attend a short interview.

There are limited numbers of spaces on the programme, so please encourage your child to try their best. If your child is successful at each stage, they will then be accepted onto the programme and will be allocated an academic tutor.

This is a fantastic opportunity for your child to gain extra support in a subject of their choice and to strengthen future university applications.

If your child has any questions they can email Ms Schofield, the Access Project representative at Kensington Aldridge Academy, at amelia.schofield@theaccessproject.org.uk.

Many thanks,

Miss. Armitage
Director of Learning Y9
