## Y7 SIMS Parent App & Parent A-Z

Dear Year 7 Parent/Carer,

I am writing to invite you to access the SIMS Parent App, an exciting new piece of technology we are introducing at KAA, currently to Year 7 parents only. The app will allow you to:

- See school term dates and contact details available at the click of a button
- Update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to this information for all of your children, from the same app
- See information regarding behaviour, attendance and rewards

### Getting started with the SIMS Parent App:

- We will be sending you an activation email this evening – this will come from the address [noreply@sims.co.uk](mailto:noreply@sims.co.uk)
- Simply click on the link from your tablet, PC or smartphone to activate your account
- You can then login using your normal Facebook, Twitter, Google or Microsoft username and password
- From your smartphone or tablet, download the app from the Google Play or Apple App store - search for SIMS Parent
- From a PC or Windows phone, login online at [www.sims-parent.co.uk](http://www.sims-parent.co.uk)

*Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login, then please contact the school. Your activation email will expire after 14 days if it is not used, please contact the school on [info@kaa.org.uk](mailto:info@kaa.org.uk) if you require a replacement after this date.*

Once you have started using the app, I would appreciate if you could complete this short feedback form: <https://forms.gle/RJe6ziKu9xyrxb8n9>

I am also attaching a copy of our "Parent A-Z" – this will answer most questions new parents have, so please take time to read it over and keep it for reference. It can also be found at <https://kaa.org.uk/the-academy/policies-documents/>.

Yours sincerely,
