Additional COVID guidance

Dear Parents & Carers,

As you may well have seen in the media, **students will need to wear masks in corridors, stairwells and assemblies between now and the end of term.** This is in response to concerns over the new Covid variant.

We'd be very grateful for your support with this matter – e.g. please check your child has a mask before they leave in the morning, and emphasise to them the importance of following this rule.

Can I also make a plea to keep up with the home testing – twice a week, even if asymptomatic – as this is another important tool in helping protect our community.

Yours sincerely,

David Benson
Principal
