## **Y11 End of Aut2 Term Update**

Dear Y11 Parents / Carers,

We are writing alongside Mr Benson's end of term letter to outline some key points about the recent mock exams, results evening, and expectations for Year 11 students over the holidays.

### **Mock Results Evening**

We are so impressed with how hard students have worked during our first round of Year 11 Mocks. Students will receive their results on a mock results evening taking place on **Thursday 6th January 2022, at 6pm**. This event is designed to replicate what will happen in August 2022. Please join us at 6pm for a short presentation which outlines the timeline for the rest of Year 11, feedback from these exams and understanding the next steps. Students will then pick up their results from their form tutors. This event is compulsory for students and parents/carers. If students fail to attend, they will not receive their results until the following week.

### **Holiday Revision**

We have spoken to Year 11 students this week about how they should revise over the holiday. Specifically, students should make and follow a revision timetable to structure their revision as they did in the previous half term break. Students have been shown effective revision techniques and subject teachers have also directed students to the revision they should complete.

To support your child in how to revise in each subject, please use our Y11 revision website at <https://kaa.org.uk/students-parents/year-11-revision/>.

### **Reports**

Students will receive their termly form tutor report at the start of next term. This report outlines their attendance and academic progress since the start of Year 11 as well as commentary from their Form Tutor.

### **Post-16 Applications**

By the end of term, all students should have made at least 3 applications to post-16 courses. If they have not already, it is crucial they do so to guarantee themselves a place on a course at a sixth form or college in September. Please be aware that many sixth form deadlines have closed already.

We hope you have a good Christmas break with your child and family, and we look forward to welcoming them back to school on **Wednesday 5th January**.

Kind regards,

**Katharine Bates**  
Co-Director of Learning – Year 11

**Radhika Chauhan**  
Co-Director of Learning – Year 11
