## Year 12 End of Year Examinations

Dear Parent / Carer,

Next week, Year 12 students will be sitting their End of Year Examinations from Monday 27 June to Friday 1 July. This is a great opportunity for students to demonstrate what they have learnt throughout their first year at KAA6 in advance of their upcoming end of year reports and acts as a gateway for progression into Year 13.

This means that the normal timetable will be replaced with an examination timetable, which is being issued today. For your reference, a copy is attached to this letter. **Students will be on study leave for next week and only need to come into school for exams.** They may choose to use the study spaces in the school, if they find this helpful.

Please note that all assessments are written assessments unless there is exams access arrangements for a laptop to be provided and all exams will take place in the theatre unless arrangements have been made in advance for a separate room as indicated on individual timetables.

In the assembly I delivered this morning, I outlined the purpose and expectations for these exams. They will be treated in the same way as real exams with external invigilators, which means any absences will lead to the exam being void. Should a student have genuine mitigating circumstances, this will be taken into account, but in the same manner as exam boards, grades awarded never reflect their true potential. **Therefore it is essential students are on time and present each and every day.**

These exams will help generate forecasts which take into account the whole picture of the year. If a forecast grade is D or above then students automatically progress into Year 13. If they are awarded an E/U grade then they will need to sit a collections test during Monday 18 July to Friday 22 July. This is a final chance to see if it is suitable for the student to progress into Year 13 with a secure foundational grasp of Year 12 content. **Therefore, it is important students are available until the end of the academic year.** We will hold meetings with you should any student reach this stage to discuss further. Whilst these forecasts are not predictions for UCAS, they will carry some influence on the whole picture used in the autumn term of Year 13, therefore it is in their interests of course to aim high.

### The expectations for the exam hall are as follows:

- Business dress with lanyards
- Arrive 20 minutes before an exam
- Bags and coats to the side of the theatre
- Phones switched off and placed in bags – not in pockets
- Transparent water bottles and equipment
- No wrist watches (analogue or digital)

Thank you in advance for your support in the coming exam week and I look forward to writing to you in July with an end of year report.

Yours faithfully,

**Adam Whitlock**  
Assistant Principal – Sixth Form
