Year 10 End of Year Examinations

Dear Parent / Carer,

Year 10 students will be sitting their End of Year Examinations from Monday 4 July to Friday 8 July. This is a great opportunity for your child to demonstrate what they have learnt throughout their first year of GCSEs at KAA in advance of their upcoming end of year reports, and will give us a good indication of their understanding with one year until their final GCSE examinations.

This means that your child's normal timetable will be replaced with an examination timetable, which they will be issued with this week. For your reference, a copy is attached to this letter. Information on our assessment policy can be found at <https://kaa.org.uk/teaching-learning/assessment/>

As students are all sitting different exams, due to their options being different, we will issue each student with their own personal timetable this week. This includes their seat number in the sports hall, so they should look after these to aid a smooth examination period. It is essential that they are aware of when their different exams are so that they can plan their revision effectively.

Please note that all assessments are written assessments so students should come to school in their normal school uniform every day, not their PE kit. Students will sit these in the sports hall in most cases, and will be invigilated formally to give students an effective preparation for their GCSE examinations next summer.

I will be delivering an assembly to all students this week clarifying how the exam weeks will run, explaining our expectations and providing students with revision techniques.

I also attach a Year 10 Mock Revision pack, collated by Miss Armitage and the Heads of Department, providing you with very clear guidance on some of the best ways to revise in each of the subject areas. This will be invaluable in helping you support your child in the next few weeks.

Thank you in advance for your support for your students in the coming exam week.

Yours sincerely,

Nick Edwards
