## Year 7 End of Year Examinations

Dear Parent / Carer,

Year 7 students will be sitting their End of Year Examinations next week, week commencing Monday 20 June. This is a great opportunity for your child to demonstrate what they have learnt throughout their first year at KAA in advance of their upcoming end of year reports.

This means that your child's normal timetable will be replaced with an examination timetable, which they will be issued with early this week. For your reference, a copy is attached to this letter.

Please note that all assessments are written assessments so students should come to school in their normal school uniform every day, not their PE kit. Students will sit these in classrooms, and the exams will be administered by their usual teachers to ensure they are as comfortable as possible.

Miss Jordan delivered an assembly to all students last week clarifying how the exam weeks will run, explaining our expectations and providing students with revision techniques. It is important to note that behavior expectations in examinations are extremely high and any disruption to the assessments will be treated as very serious incidents.

Finally, please note, as per the timetable, the last exam of the week will be maths, period 1 on the Friday. Students will be in their normal lessons for the remainder of the day, so should bring the relevant equipment with them for those lessons.

Thank you in advance for your support for your students in the coming exam week and I look forward to writing to you in July with your child's end of year report.

Yours sincerely,

**Nick Edwards**
