

Dear Parent/Guardian,

Your child has been invited to take part in the Careers in Healthcare Holiday FOCUS programme with **IntoUniversity** North Kensington. **IntoUniversity** runs various programmes in partnership with local schools, aiming to inspire and support young people in realising their full potential.

The Holiday FOCUS programme is *entirely free* and offers pupils the opportunity to use their holidays productively by taking part in enjoyable and stimulating activities that help them to explore a particular topic. Our Careers in Healthcare Experience day is designed exclusively for students in **Years 8-11**, and will offer students an opportunity to learn about future pathways and careers within Medicine and Healthcare. The 1-day programme will give students the opportunity to learn about a range of healthcare careers, practise clinical skills through hands-on activities, and speak to healthcare professionals about their pathway into healthcare.

The programme will run on **14th February** at **IntoUniversity** North Kensington centre based at The ClementJames Centre, 95 Sirdar Road, W11 4EQ, from **10am to 3pm**.

Students will need to bring a packed lunch and a bottle of water with them.

Please find attached a student registration form which needs to be completed and signed by a parent or guardian. This form needs to be returned to the centre by **Friday 10th February** at the latest. It is very important that the form be returned as your child will not be able to participate in the programme without it. If you have any further questions, please feel free to get in touch.

We look forward to seeing your child on Tuesday the 14th February!

Yours sincerely,

Jess Smith
Lead Senior Education Worker
