Revision over half term

The half term break is a good opportunity for students to rest and reset their batteries for the final stretch of their GCSEs, however, it is also imperative that students use their time wisely and complete revision across the course of the week. To aid this there are a number of intervention sessions happening in school, listed below. Teachers will have also contacted parents and students separately to invite them to the relevant sessions.

To support your child in how to revise in each subject, please use our Y11 revision website at:
<https://kaa.org.uk/students-parents/year-11-revision/>.

Monday 13 February

I1B/I1C Art & I1B Textiles – 9am-3pm

Post 16

All students should have made at least 3 applications to post-16 courses. If they have not already done so, it is crucial they do this now to guarantee themselves a place on a course at a sixth form or college this September.

We hope you have a good half term break with your child and family, and we look forward to welcoming students back to school on **Tuesday 21st February at 8.30am.**

Yours sincerely,

Mr N Edwards
