

9<sup>th</sup> June 2023

## Y8 End of Year Examinations

Dear Parent / Carer,

Year 8 students will be sitting their **End of Year Examinations** from **Monday 19<sup>th</sup> June to Friday 23<sup>rd</sup> June**. This is a great opportunity for your child to demonstrate what they have learnt throughout their second year at KAA in advance of their upcoming end of year reports. These are vital as they are the last formal end of year examinations before your child makes their GCSE option choices during Year 9.

During this week, your child's normal timetable will be replaced with an examination timetable, which they will be issued with early next week. For your reference, a copy is attached to this letter. Parents can view the topics students have been studying this year to assist with revision by viewing the relevant subject pages of our website (further information attached with timetable).

All assessments are written assessments so students should come to school in their normal school uniform every day, not their PE kit. Students will sit these in classrooms, and the exams will be administered by their usual teachers to ensure they are as comfortable as possible.

Please note that the last exam of the week will be science, which finishes at the end of Period 4 on Friday. Students will remain on site for lunch and be registered by their teachers before being dismissed from school at the earlier time of 2:05pm.

Form tutors will be explaining to students in detail how the exam week will run, including our behaviour expectations. It is important to note that behavior expectations in examinations are extremely high and any disruption to the assessments will be treated as very serious incidents.

Thank you in advance for your support for your students in the coming exam week and I look forward to writing to you in July with your child's end of year report.

Yours sincerely,

**Nick Edwards**  
**Assistant Principal – Data and Timetabling**

## Y8 End of Year Exam Timetable

Year 8	Monday	Tuesday	Wednesday	Thursday	Friday
8:30 - 9:00	Morning Reading
