

REMEMBER YOUR SPEAKING EXAM: 23rd APRIL (Sampson, Pedley), 24th APRIL (Ivett)

1 Consolidation of this term

This half term you have covered Theme 3, and you have completed all themes. You need to ensure you have revised and understood the Themes well. I can't emphasise this enough, but **CHECK GOOGLE CLASSROOM, THERE IS LOADS ON THERE.**

How to do this:

- Input all key vocab from lessons onto flashcards (either physical or on an app) and revise them. Key vocab can be found on our Google Classroom.
- Ensure all Theme 3 answers have been written up in your Speaking/Writing booklets.
- Type **Conjuguemos French** into google and choose activities based on what you want to do.
- Revise on LanguageNut, there are activities there for you to choose from. These aren't homework tasks, but ones generally available.

2 General revision

- ALL questions in the Speaking/Writing booklet are available in audio form on Google Classroom. This means you can hear the questions out loud and pause after each one to answer. It will feel like a real speaking exam.
- Watch these videos to familiarize yourself with the 3 parts of the Speaking Exam and how to do well in each section
