Year 11 Spring Half Term Revision

Dear Y11 Parents / Carers,

Thank you for all your support of your child's progress this half term. We are writing to you now about the expectations for Year 11 students over the half-term break, and the revision & intervention sessions on offer over the half term holiday.

Revision for mocks

Year 11 mocks are happening from Monday 26th February to Friday 8th March 2024. This means there is only one school week between students returning to school and mocks beginning. Students will receive their mock timetables by the end of this week. Year 11 students should use the half term break to start their revision for these exams. They should create a revision timetable that includes:

- Planned days off - 1 to 2 full days with no work at all
- Half revision days - most days should contain a 2 hour morning or afternoon session
- Full revision days - 2 or 3 days of full 4-hour revision days
- Over the course of the holiday, students should aim to do about 5 hours of revision per subject

Ms Jordan spoke recently in an assembly about how students should revise over the holiday. Subject teachers have also directed students to the revision they should complete. To support your child in how to revise in each subject, please use our Y11 revision website at <https://kaa.org.uk/students-parents/year-11-revision/y11-revision-subject-pages/>.

Revision & intervention sessions

A large number of teachers are offering revision and intervention sessions offered to Year 11 over the half term break. Where an intervention is for "targeted students only", teachers will inform your child that they are expected to attend, otherwise all students who study the subject are welcome to attend the advertised sessions.
