Y9 End of Year Examinations

Dear Y9 Parent / Carer,

As we are sure you are aware, Year 9 students will be sitting their **End of Year Examinations** from **Monday 24th June to Friday 28th June**. This is a great opportunity for your child to demonstrate what they have learnt throughout their first three years at KAA in advance of their upcoming end of year reports and will give us a good indication of their progress as they commence their GCSE courses.

During this week, your child's normal timetable will be replaced with an examination timetable, which they will be issued with early next week. For your reference, a copy is attached to this letter. Parents can view the topics students have been studying this year to assist with revision by viewing the relevant subject pages of our website (further information attached with timetable).

All assessments are written assessments so students should come to school in their normal school uniform every day, not their PE kit. Students will sit these in the sports hall in most cases, and will be invigilated formally to give students an effective preparation for their GCSE examinations in two years time.

Please note that the last exam of the week will be Maths, which finishes at the end of Period 4 on Friday. Students will remain on site for lunch and be registered by their teachers before being **dismissed from school at the earlier time of 2:05pm**.

Form tutors will be explaining to students how the exam week will run, in detail, including behaviour expectations. It is important to note that behaviour expectations in examinations are extremely high and any disruption to the assessments will be treated as very serious incidents.

Thank you in advance for your support for your students in the coming exam week and I look forward to writing to you in July with your child's end of year report.

Yours sincerely,

Ross Dunning
Assistant Principal – Data & Assessment
