GCSE Computer Science (OCR J277) – Easter Revision

1 Complete Two Exam Papers

Your teacher has given you the following practice papers:

- Paper 1 (Computer Systems)
- Paper 2 (Computational Thinking & Programming)

Attempt the paper in exam conditions
No notes
No distractions
If you don't know a question attempt it anyway
Do not leave blanks

2 Identify areas of weakness

For every question you struggled with:

- Identify the questions you found difficult
- Identify the questions you guessed

Use revision resources to help you:

- BBC Bitesize OCR Computer Science
- Craig'n'Dave YouTube
- CGP Revision Book
- Improve your answer using a **DIFFERENT COLOUR PEN**

3 Practice Questions

Complete the questions set by your teacher.
