For each key event/person/word you need a **brief summary + SPEND detail**

Use your lesson notes, the lesson slides, the Cold War revision guide and the Cold War youtube videos (all found on **Google classroom**) to help you.

This is **compulsory** and your class teachers will be checking for completed work after Easter.

Any questions email your teacher or Ms Cope (c.cope@kaa.org.uk)

You must also independently revise other topics - Elizabeth, Migration, Germany

Remember Google classroom has revision resources for all three of the papers - booklets, checklists, videos, tasks, guides & more.

They are organised by paper, depending on your revision focus.

For any revision **use the resources on Google Classroom!**

Revision activities may include:

- **Mindmaps** - organise your knowledge by key themes e.g. social impact, political causes,
- **Flashcards** - for memorising SPEND details
- **Practice plans** - come up with your own '16m How far do you Agree…?' and '12m Explain…' questions and plan the three points you would use
- **For/against grids** - find evidence for and against statements to help you plan for the 16m HFDYA questions & the 20m interpretations questions
- **Practice questions** - to get used to applying different technique correctly
- **Quizzing** - come up with SPEND questions and quiz your friends!

There are **no** History revision sessions available during the holidays so it is **essential** you are revising independently. Miss Cope will be trying to put out some more revision videos for Modern Migration + Exam Technique, so look out for those on Google Classroom/YouTube!
