Candidate Information Pack

February 2026

Dear Applicant,

Thank you for taking the time to find out more about Kensington Aldridge Academy (KAA). This pack is intended to give you information about this role and our school's vision and ethos. Further background information is available at kaa.org.uk, including in the parent prospectuses and recruitment pages you can find there.

KAA is an 11 – 18 academy situated in the heart of Notting Hill. We opened in brand new buildings in 2014 with just Year 7 and our facilities are second to none. This is our twelfth year of operation, and we are now a full school with 1,300 students in Years 7 to 13.

KAA is a high-performing academy with a strong local and national reputation. Ofsted have twice judged the school to be “outstanding” in all categories and describe standards as “exceptional”. In 2018 we were named the TES “Secondary School of the Year”, and our 2022 Good Schools Guide review praises the “phenomenal” education students receive.

Any success we have comes from the talent and dedication of our staff.

KAA staff members are reflective, committed professionals, willing to do whatever it takes for our students to achieve the best results. This role is an opportunity to join a great staff team and make a significant contribution to our ongoing work.

As Principal, there is no higher priority for me than the recruitment and development of staff. **Like any school, we are a “people business” first and foremost.** We understand that we ask a lot from staff, but in return we provide extensive support and development opportunities and the space to extend your skills more than you would find elsewhere.

If, after reading the enclosed information, you would like to apply, please complete the application form that can be found online at www.kaa.org.uk/recruitment and return it via e-mail to our HR Manager, at recruitment@kaa.org.uk, or use the “quick apply” application form via the TES advert. If you have any queries, please contact our HR Manager and it may be possible to arrange a conversation with myself or one of the leadership team here at KAA.

With best wishes,

Anna Jordan
Principal

About Kensington Aldridge Academy

Culture & Ethos

One of the distinctive aspects of being a start-up school is that you can define your culture from day one and set the bar sky high. When we opened KAA we had no existing population of students and teachers who were set in their ways – instead we set out our expectations clearly at the start and, because they were followed up with a consistently great ‘offer’, these expectations have been met.

The opportunity we had to start from scratch and grow carefully is still a defining feature of our school, all these years on.

Our culture remains strong, and students and staff alike feel very proud to be part of KAA. Students and their immense potential are at the heart of the work we do.

We believe:

- Every child has the potential to excel
- It is through hard work and discipline that success is achieved
- Outstanding teachers, willing to do whatever it takes, can transform students’ lives
- We are all learners, and as teachers we must model the learning behaviour we ask of students
- School should be a caring, safe place where students are happy
- Parents are our most important partners

Teaching and Learning

Teaching and Learning is the core business of any school. All aspects of school life - attainment, progress, behaviour, ethos, attendance - flow from outstanding classroom teaching and, because of this, the classroom experience of students is our main concern. Our top priority is to ensure that students have a consistent diet of excellent lessons each day.

At KAA we have a model for teaching and learning that is of a national standard, and which is constantly evolving. Our approach is to treat **all** learners as intelligent individuals, irrespective of their prior attainment, and to support them all to go on to achieve the very best results. We work hard to ensure this model of teaching is widely understood and consistently implemented across the academy, and that is continually refined and improved as the school develops.

There are **three main aspects** in our approach to **teaching and learning**:

The Teaching and Learning Handbook: This is more than just a teaching and learning policy that sits on the shelf, or, even worse, a few pages in the staff handbook that sets out expectations for lesson planning and offers a few templates. This is a developmental document; a research-based handbook that provides clear guidelines on how to plan and deliver lessons. Our teaching and learning handbook is the central policy of the school – our ‘bible’ – and the basis of our on-going programmes of staff training and lesson observation. Candidates can review a copy in advance [here](#).

Our handbook is not overly prescriptive; instead, it provides teachers with a helpful framework to guide their thinking about short, medium and long-term planning; questioning; discussion; group work; literacy; extended writing; and many other aspects of classroom practice. Within this framework they can develop their own lessons and activities to suit their style and subject.

High-quality staff training: One of our mantras at KAA is, ‘*we learn best when we learn together*’. For us, staff training is something which is relevant to all, not just new staff and ECT’s. We don’t just reserve training for INSET days – we have an on-going programme of twilight sessions that take place during most weeks of the year. The majority of our training sees our own staff training each other on their areas of expertise. It is grounded in the T&L model – we take ideas from the handbook and illustrate them through training.

Where appropriate, we partner with external training providers. In-house training draws heavily on our archive of video recordings of lessons - we have invested in technology to allow teachers to record ‘model’ lessons (although it’s often even more useful to show colleagues less successful lessons, assuming you are brave enough!). Most importantly, our training is mapped out well in advance and linked to the overall academy improvement plan. We never make up sessions on the hoof but always use lesson observation and other monitoring and evaluative tools to establish which aspect of the model needs refinement and then use training to address this. In short, our on-

going, high quality staff training programme inspires and motivates staff, and recognises that “we learn best, when we learn together”.

Lesson observation: We adopt a different approach to lesson observation that places observing to learn at the heart of staff development. For us, observation is a formative tool and part of a teacher’s entitlement to professional development; it is not a performance management exercise. It is expected that all our teachers will be involved in the academy lesson observation cycle, viewing the process as a powerful form of training. As part of their induction into the academy, all teachers will be trained in lesson observation and giving constructive feedback. We operate an open, non-hierarchical approach to lesson observation, in which people request to observe and be observed. It is expected that as lead professionals, members of SLT will be observed just as much as the rest of the teaching staff.

This extensive lesson observation process helps in two ways:

- i. Good ideas will spread quickly around the system, as teachers replicate the best techniques that they see in each other’s classrooms
- ii. A culture will be created in which teachers are open to feedback and not defensive about their practice. They will understand that we are all still learning and no one has ever ‘arrived’ as a teacher

As staff we understand how central teaching and learning is to the work of the school.

As such, there are three questions which are the hallmark of a KAA teacher:

- **How do my students feel when they arrive at my classroom?**
- **Is my lesson worth behaving for?**
- **How could I have taught that lesson better?**

Facilities

Distinctive features of our building include:

- A professional theatre
- Our own sports hall and dance studio
- A safe, enclosed rooftop football / sports pitch
- Specialist performing and creative arts classrooms for drama, art and performing arts

- Two music classrooms, a professional recording studio and lots of smaller practice rooms
- State of the art design technology rooms, including Graphics, Resistant Materials, Food Technology and Textiles
- Flexible IT spaces – giving students safe access to the right technologies
- Three libraries
- Access to Kensington Leisure Centre and swimming pool next door to the academy
- Access to the Westway Sports Centre, less than 200m from the academy

We are extremely fortunate to have these facilities and will put them to the service of our students. However, we know the building alone is not the answer; it is the school's values, our strong ethos, and our focus on curriculum, assessment and teaching and learning that will be the keys to our success.

Our location

Situated in the heart of Notting Hill, Kensington Aldridge Academy is positioned in one of the most exciting and sought after parts of London. With Portobello Road, home to the famous Portobello Road Market, close by, there are plenty of bars, restaurants, shops and pubs to choose from. We have excellent transport links: less than a minute from Latimer Road tube station, just three minutes from Ladbroke Grove station, and within easy walking distance of Holland Park and Notting Hill stations, and many local bus routes. This is a vibrant and diverse part of London; famous for the Notting Hill Carnival, and one well-connected to the museums, galleries, theatres, parks and other cultural perks of central London.

A commitment to equal opportunities

KAA is committed to eliminating discrimination and encouraging diversity amongst our employees. Our aim is that our workforce will be truly representative of all sections of society and the community, and that each employee feels respected and able to give their best. To that end we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex, or sexual orientation. We oppose all forms of unlawful and unfair discrimination.

Staff benefits

- Professional development that is of a national standard. In Ofsted's words: *"Staff morale is exceptionally high. They enjoy working at the school and benefit from high-quality training. Teachers new to the profession feel very well supported in settling into the school quickly and developing their practice."*
- Discounted membership of the Kensington Leisure Centre
- A two-week half term holiday in October

- 180 school days, 10 training days (not 5 as you find in most schools) and 5 planning days per year, which include the opportunity for teachers to work from home
- Free breakfast and lunch for all staff
- Free weekly staff wellbeing activities; yoga, circuits, salsa, football and more
- Access to an Employees Assistance Programme, for anyone who may need additional support
- One-to-one mentoring and support for all new teachers
- Regular career progression opportunities and access to a wide range of nationally recognised CPD programmes

Terms and conditions

The school governors are keen to ensure that staff remuneration is always competitive, and that staff are fairly rewarded for their commitment and excellent performance in line with the academy's pay policy. We want to compete for the best staff and offer attractive pay and conditions and career development opportunities to do so. Salaries will be based on experience, qualifications, and the scope of job and the level of responsibilities. We operate our own terms and conditions, which broadly mirror national pay and conditions. Some key differences are:

- 180 not 190 school days and 10 not 5 training days with a further 5 planning days on top. This means we operate a 39-week year: 37 teaching weeks and 2 weeks planning and preparation with significant focus on CPD
- The two-week October half term
- The school day will be from 8am to 5pm Monday to Thursday (with co-planning, mentoring, observation, marking & moderation etc built into the school day wherever possible)
- On Friday the working day finishes at 4pm
