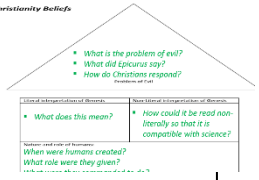
What should I produce to support my revision?

Flashcards: write a question on one side e.g. *what are the qualities of God in Christianity* and the answers on the other side e.g. *omnipotent, omniscient, omnibenevolent.*

Mind Maps: Create a mind map for each unit e.g. put Islam Beliefs in the center of the page, then have beliefs such as tawhid and afterlife branching off and then have religious teachings on tawhid and afterlife branching off further.


Knowledge Organisers: Divide a plain piece of paper into sections, one for each key topic e.g. For Christianity Practices it should be divided into sections for worship, sacraments, pilgrimage, celebrations, Christianity in Britain, Worldwide church. Then add everything you know on the topic in the section, including facts, quotes etc.
